## MasterPass Use:

Now you can choose an easy and secure payment method for your online purchases by adding your ICBC Turkey cards\* to MasterPass once\*\* without entering your card number.

Masterpass is a digital solution that allows you to pay quickly and easily with just a click at businesses where you see the Masterpass logo by storing your card information securely in the Mastercard® infrastructure.

## How to become a MasterPass member?

By registering your card details via the website [www.masterpassturkiye.com](http://www.masterpassturkiye.com)

By checking the "Save my card to Masterpass" box when you are on the payment step with credit and/or debit card on the website, mobile website, or mobile applications of the merchants where you see the Masterpass logo.

\*Cards with Mastercard, Visa, and TROY logos can be added to MasterPass.

\*\*It is valid on e-commerce sites contracted with MasterPass.

## **Is there a fee for using the Masterpass?**

No. It is a free service offered through MasterPass card.

## **Masterpass Merchant:**

Payments can be made with Masterpass through thousands of international and local websites, mobile sites and mobile phone applications in Turkey and around the world with the Masterpass logo.

## **Card Registry:**

When you come to the payment step on the website, mobile website and mobile applications of member businesses with Masterpass logo, 'I want to register my card to Masterpass' You can add a card by marking the box. In addition, you can add a card via the Masterpass Turkey website.

## **Card Delete:**

It is possible to delete the cards stored in the Masterpass infrastructure via the user profile management screen of the workplaces where Masterpass is valid or by logging into the user account on the Masterpass Turkey website.
